The Institute places on record its appreciation and sincerest thanks to the **BRAHAMAKUMARIS** for organising “**Model Exhibition on Spiritual Sciences**” in our college premises for the Students & Staff on 10<sup>th</sup> August 2015.

The exhibits depicting relation between the natural science and spiritual science was greatly appreciated by the students & staff and they will certainly be improving their spiritual Quotient which is very much required apart from Intelligence Quotient and Emotional Quotient.

Such exhibits are very useful for the development of an individual and the society and we hope to have more exhibitions in future too.

With Best Wishes

Respected, Sir/Madam

It is our great pleasure that the exhibits in the form of pictures and electronics module displayed in Spiritual science exhibition held in our college on 11 Aug. 2015 were so educative and inspiring for our students.

It is a good approach of promotion of spiritual laws and importance of adopting values in our day to day life for college going young students.

I appreciate the Endeavour of the team belonging to SPARC for their innovative creational selfless service rendered by the volunteers.

I convey my all good wishes for the forthcoming display of such exhibits.
