**Subject: Letter of Appreciation and Thanksgiving**

Dear Shrikant Bhai,

At the outset we express our thanks for organizing a well managed exhibition at our verbal request.

As per the feedback received from the various visitors of '102<sup>nd</sup> Indian Science Congress' held in Jan 2015, the electronic kits are well explained. I personally feel it is a good tool to spread the message about importance of values for the modern generation who wants to accept things from science dimension.

Also I would like to appreciate the efforts of the volunteers of Spiritual Applications & Research Centre who helped us in the smooth conduction of the sessions of New Biology Section 102<sup>nd</sup> Indian Science Congress (2015).

I once again convey my regards for the selfless efforts put by your team.

Thanking You.

Yours Truly

Dr. Bhupendra. K. Pushkar  
Sectional Secretary,  
New Biology Section  
102<sup>nd</sup> Session,
