Divine Brother / Sister,

Greetings of peace and brotherhood.

Spiritual Applications Research Centre (SpARC), a research wing of ‘**Rajyoga Education & Research Foundation**’ a sister organisation of **Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya**, is organising this Conference for the 19th consecutive year. It will be inaugurated on Thursday, **28th August 2025** at 18.00 hrs and concluded at 09.30 hrs on **Monday, 31st August 2025**. It is a residential event, **where more than 400 delegates from various streams & disciplines will participate actively.**

In today’s world, scientific inventions are making seemingly impossible things possible. Science is making our lives easier, but at the same time there is a greater danger of misuse of the scientific inventions causing destruction of our World and Humanity at large.

Despite technological advancements in all the fields that have given material comforts, mankind is facing degradation of values like peace, happiness, mutual love, harmony in relationships etc. Although governments are doing their best to curb crimes but the crime rate is increasing day by day and spreading its tentacles across all sections of society where even infants, students, females, mentally challenged and elders are bearing the brunt.

Spirituality empowers Human Beings to live a peaceful and harmonious life. A Spiritually empowered person can work as a catalyst to change the society and can also work for the development of a humane society. When Spirituality and Science work hand in hand then all the unwanted and unwarranted negative forces can be transformed.

Through this conference, SpARC Wing aims to bring Science and Spirituality under one roof to create a constructive force to generate/offer infinite possibilities for human development.

We have immense pleasure in inviting you to participate in this conference and meditation retreat and exchange of ideas with experts in the field.

In the Service of Humanity,

Yours sincerely,

(BK Ambika)
Chairperson, SpARC Wing
